Dear Sir:

This paper is responsive to the Office communication mailing date May 26, 2006, which is a Notice of Non-Compliant Amendment, which is an amendment to my patent application number 10/729,725 filed on May 22, 2006. This paper is nearly identical to the May 22, 2006 amendment except that I have added a sentence in the IN THE CLAIMS section below, cancelling claims 1-20, and changed a sentence in the paragraph

immediately below regarding fees.

This paper is responsive to the Patent Examiner's Office Action dated February 3, 2006, regarding an amendment filed on December 2, 2005, and Advisory Action dated May 5, 2006. A check for \$455.00 was enclosed in my previous communication filed May 22, 2006 to pay the RCE fee and Extension of time fee, so there is no other fee required in this mailing. Please enter the following remarks and amend the above-identified application as follows:
